

Preparing Your Car

- **Keep your gas tank at least half-full** in case of evacuation or power outages
- **Check your tires**, make sure they have enough tread
- **Back into your garage or parking spot** so you are ready to drive away
- **If you park in a garage**, make sure you can get out without power
- **Keep Personal Essentials:** a cell phone charger, a change of clothes, a blanket or sleeping bag, warm hat and gloves, water and a little food in your trunk at all times
- **Keep Car Essentials:** jumper cables, flares or glow sticks, flashlight and local maps in the car at all times
- **Keep Writing Gear:** notepad or blank paper, pencils in your glove compartment for emergency notes
